

DeRidder Retirement & Rehabilitation Center is dedicated to delivering the kind of care we would want for our own family members. We take a personal interest in each resident to ensure their individual needs are met. Our staff uses that special, loving touch in everything we do. We know the power of a healing hand and a warm smile and always strive to go the extra mile.

We take pride in providing quality and compassionate care in a home-like setting. Our mission is to maintain the highest level of self esteem and dignity of our residents.
